Building Bharat's Manufacturing Ecosystem

IPTW – India Production Technology Week 2026, held on 9-11 April 2026 at PIECC, Moshi Pune concluded successfully, bringing together the entire engineering & manufacturing industry on a dedicated platform for metal forming machinery & equipment, flexible sheet metal working, separation & cutting machines, automation, robotics, fasteners, welding & more. The event witnessed strong participation with 308 exhibitors, 14211 visitors, 69 speakers, 1015 VIPs, 945 delegates & 51 media & association partners, making it a valuable opportunity for networking, knowledge exchange, and business growth across the manufacturing ecosystem.

Industry Voices

IPTW is an excellent platform for encouraging meaningful business interactions, technology exchange, and stronger industry collaboration.

Honeywell

IPTW showcases India's growing manufacturing strength by connecting suppliers, buyers, and technology providers on a focused business platform.

FCI FEDERATION OF CHAKAN INDUSTRY

IPTW plays an important role in bringing everything together & making it convenient for visitors to explore solutions and connect with the industry.

Industry-wise Visitor Bifurcation

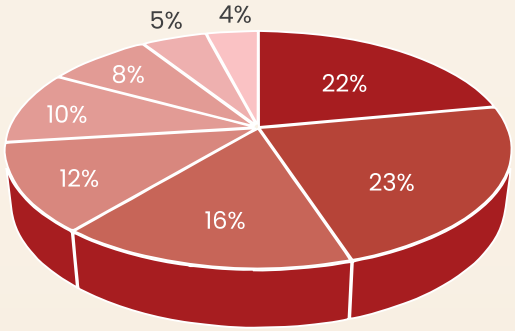

- 18% Automotive & Auto Components
- 15% Engineering & Industrial Manufacturing
- 13% Fabrication & Metal Processing
- 12% Machine Building & OEMs
- 10% Industrial Machinery & Equipment
- 9% Electrical & Electronics Manufacturing
- 8% Aerospace & Defence Manufacturing
- 6% Tooling, Dies & Moulds
- 5% Fasteners & Industrial Hardware
- 4% Construction & Infrastructure

Visitor Profile by Designation

- 18% CEO / MD / Founder / Owner
- 15% Purchase & Procurement Heads
- 13% Plant Heads / Factory Managers
- 12% Production & Operations Managers
- 9% Engineers & Technical Professionals
- 8% Quality & Maintenance Professionals
- 2% Business Development & Sales Professionals

Visitor Profile by Department

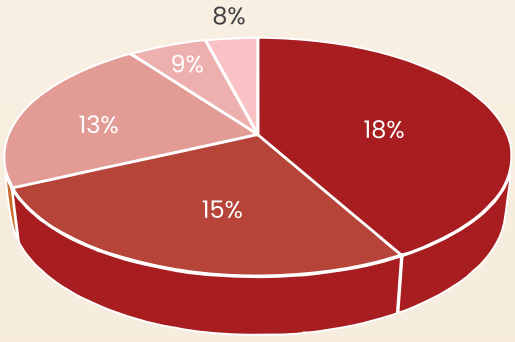

- 22% Purchase & Procurement
- 23% Production & Manufacturing
- 16% Engineering & Design
- 12% Operations & Plant Management
- 10% Quality Control & Assurance
- 8% Maintenance & Tool Room
- 5% R&D & Product Development
- 4% Business Development & Sales

86% of visitors were directly involved in purchase decisions, manufacturing operations, engineering, design, quality, and plant management functions.

Company Size Analysis

- 18% MSMEs & Small Enterprises
- 15% Mid-Sized Enterprises
- 13% Large Enterprises / Corporates
- 9% Startups & Emerging Ventures
- 8% Government Organizations / PSUs

90% of attendees represented private-sector manufacturing organizations, with strong participation from MSMEs, growing enterprises, and leading industrial corporations

Overall Feedback from the Show

METAL FORMING EXPO

A premier exhibition dedicated to sheet metal working, metal forming, and manufacturing technologies driving efficiency and innovation across industries.

- Metal Forming & Sheet Metal Working
- Presses, stamping, bending, forging, rolling machines
- Sheet metal fabrication technologies
- Dies, molds & and tooling systems
- Laser cutting, laser marking, and laser welding systems

IDM
INDIA DIE & MOULD SHOW

A premier platform showcasing precision tooling, die & mould manufacturing, and advanced engineering solutions driving innovation in modern manufacturing.

- Die & mould design, tool engineering & development
- Injection moulds, press tools, dies & casting solutions
- CAD/CAM, simulation & tool design software
- Tool room machinery, cutting tools & finishing technologies
- Materials, components & precision engineering solutions

MACHINE TOOLS & CUTTING FAIR

A premier exhibition showcasing machine tools, metal cutting, and precision engineering technologies that power the industrial and manufacturing sectors.

- Machine Tools & Metal Cutting
- CNC machining lathes, milling, drilling, grinding
- Electrical discharge machining, waterjet cutting
- Cutting tools, precision tooling, and accessories
- Precision engineering & components manufacturing

Lubricant Technology Show

Lubricant Technology Show is a premier platform showcasing lubricants, oils, greases, and specialty fluids that enhance performance, reliability and sustainability across industrial and automotive sectors.

- Lubricants, Oils & Greases
- Industrial lubricants, cutting fluids, coolants
- Maintenance oils, greases, and specialty fluids
- Tribology and friction management solutions

INDIA WELDING TECHNOLOGY SHOW

India Welding Technology Expo is a premier exhibition showcasing welding, cutting, joining, and allied technologies that form the backbone of fabrication and manufacturing industries.

- Welding & Joining Technology
- Arc welding, MIG/TIG, resistance welding
- Brazing, soldering, and additive joining technologies
- Welding consumables, electrodes, and equipments

SURFACE COATING Show

Surface Coating Show is a premier exhibition for coating, finishing, and surface treatment technologies across manufacturing, automotive, construction, and engineering sectors.

- Industrial Coating Solutions Providers
- Surface Treatment & Finishing Specialists
- Coating Equipment & Machinery Manufacturers
- Coating Materials & Chemicals Suppliers

Supporting Associations

- Machine Tools Manufacturers Association
- Automotive Research Association of India
- Society of Automotive Engineers India
- Ahmedabad Engineering Manufacturing Association
- Fedration of Chakkan Industries
- Hadapsar Industries Association
- Fedration of Associations of Pimpri Chinchwad
- Waluj Industries Association
- Vas Tribo Solutions Unlimited
- Rajkot Engineering Association
- Pimpri Chinchwad Chamber of Industries, Commerce
- National Lubricating Grease Institute - India Chapter
- Indian Institute of Plant Engineers
- WeldMesh Manufacturing Association
- SME Chamber of India
- Deccan Chamber of Commerce Industries and Agriculture
- All India Association of Industries
- MSME & Startup Accelerator

FUTURE MARKET EVENTS

Driving businesses into the future

We empower individuals, communities and companies to grow business, foster collaboration and enable them to discover emerging opportunities. Guided by our mission of 'driving businesses into the future', we organise trade shows and conferences that shape industries and accelerate growth.

Our culture is rooted in our core values of being Progressive, Agile, Resilient & Collaborative (PARC). We believe in the power of innovation to transform industries, value face-to-face networking and keep our customers at the heart of everything we do.

We are Future Market Events.

Our Portfolio of Events

- ALL INDIA COLD CHAIN EXPO
- SURFACE COATING Show
- AUTO COMPONENTS SHOW
- AUTO AFTERMARKET SHOW
- CORRVISION EXPO
- Cosmetics Ingredients Expo
- COSPACK COSMETIC PACKAGING EXPO
- e-commerce logistics expo
- PROCESS AUTOMATION EXPO
- EV COMPONENTS SHOW
- FACTORY AUTOMATION expo
- FOODVISION expo
- Homecare Ingredients Expo
- INDIA FASTENER SHOW
- INDIA CHEMICAL SHOW
- IDM INDIA DIE & MOULD SHOW
- INDIA PRODUCTION TECHNOLOGY WEEK
- INDIA WELDING TECHNOLOGY SHOW
- INTRALOGISTICS & WAREHOUSING EXPO
- Lubricant Technology Show
- MACHINE TOOLS & CUTTING FAIR
- MATERIAL HANDLING EXPO
- METAL FORMING EXPO
- PackVision Expo
- pharma SUPPLY CHAIN EXPO
- PHARMA API & EXCIPIENTS SHOW
- PHARMA MACHINERY & PACKAGING SHOW
